FRONT-END DEVELOPER

HTML | CSS | BOOTSTRAP | JAVASCRIPT | REACT

As a highly motivated Front-End Developer with a Bachelor's Degree in IT and a focus on web development, I have a learning experience in a range of programming languages and frameworks. My current expertise in HTML, CSS, React, and Firebase is enhanced by ongoing learning through a front-end development bootcamp. With a proactive approach to problem-solving, effective communication skills, and strong attention to detail, I am well-suited to thrive in a fast-paced team environment. Seeking a challenging role where I can use my technical expertise to deliver innovative solutions that drive business success.
